BSides Connecticut is an exciting day long information security conference hosted at the Webster Bank Resource Center in Southington Connecticut. The facility in Southington, Connecticut is just two hours from New York City and Boston, and just thirty miles north of New Haven. With this ideal venue for collaborative presentations, sharing of information and ideas, BSides Connecticut will help establish a much-needed link between information security professionals and the Connecticut technology community.

Date: **October 7th, 2017**
Time: **9am-6pm**
Where: **Webster Bank Resource Center - Southington, Connecticut**
200 Executive Boulevard, Southington, CT 06489
Directions

Tickets: https://www.eventbrite.com/e/security-bsides-ct-2017-tickets-31307989038
